Name of Activity : International Women Day

Dated : 07Mar, 2023

Description : Though there has been a massive change in the position of Women, but still it needs a lot. A woman is still not able to express her feelings freely and boldly. She is being dominated by various powerful segments of the society and lags behind. An answer to all these questions is that a woman is not empowered yet. She is living in the age of darkness and ignorance. In view of this scenario, Guru Nanak College, Budhlada formed Women Empowerment Cell with the collaboration with fashion designing Department to strengthen the girl students and make them confident and powerful by making them aware of their rights, so that they could grab respectable position in the society.
